PATIENT PORTAL SIGN UP

Our practice's online tool at <https://bca.pcc.com/portal> lets you communicate with us easily anytime and anywhere. Using your secure password and your user ID, you can log into our practice from a mobile phone, tablet or computer with internet access.

When you access our patient portal, you can review a complete health information summary for each child in your care, including:

- Most recent physical date
- Upcoming appointments
- Historical visits
- A summary of labs and medical tests
- A problem list, allergy list, and medication list
- A complete immunization record

You can download or print your child's immunization record directly from the portal, and you can also review a detailed visit summary for any appointment, as well as send and receive secure messages.

TO SIGN UP, PLEASE FILL OUT THE INFORMATION BELOW AND GIVE IT TO THE FRONT DESK PERSONNEL.
